PO BOX 48825 • OHIO 44148-0825 • 606-888-8888

Well, here we are again, back at our old familiar spot—back where we think of a sex comic letter page. Ah? Ah? Who we? We? We? We? We? We? We? From you the page out there yet? —uh, where? You gotta —uh, fit the whole page with a —uh, you origin or we do? Uh?

So, how ya doin', ah? You get sexed up,? "No", well, there is a DEPRESSION on ya know? Yeah, Pussy's different as I come as I am, ah? Well, you done bought the right book, man cause we've got plenty of good stuff in this issue alone from these horny SHETTY employees: MARY M. PAUL TOMASO, SUE-SHOT SAM, more of STYLIC SHY! — And if you like this issue, check out our preview of next issue page! Things are gonna get even dirtier!

Meanwhile, drop a line! Let us know what you like/don't like, what/who you'd like to see more of or less of. Come on, your comments probably won't be anonymous!

By the way—lines on SHETTY Pg 4 are administered by old pal, LARRY FISHER (who also worked at TURKEY), who is almost as horny as I am. GREAT artist, isn't he? His great work! There's be less more from/By Larry as time goes on. I think he make a good teacher? What do you think, ah? —uh, like you see, foolish!

Otherwise, its time to cut out so I'm gone dudes! Stay hot, stay cool, and don't be no fool! See ya next issue, ah?
